YOUR DESIGN, YOUR HAPPY CANVAS

HAPPY CANVAS, the photo album for Baptisms or other special events, is the professional photo album with a coordinated box that you've always wanted. Recommended for recounting the arrival of a baby, a photo album for baptisms, first communion, a confirmation, a birthday party and all special events to be remembered.

The front of the cover is in fabric, entirely printable and customized as you wish. The cover spine and back are covered in natural cotton with a Salt and Pepper texture.

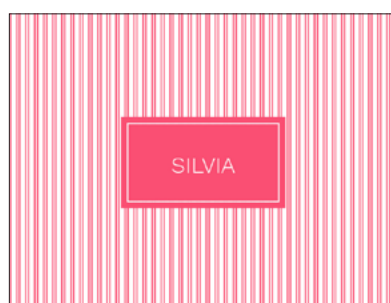

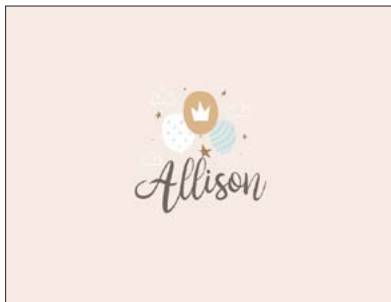

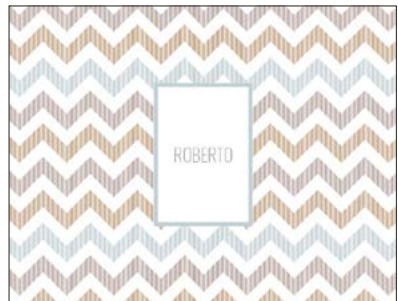

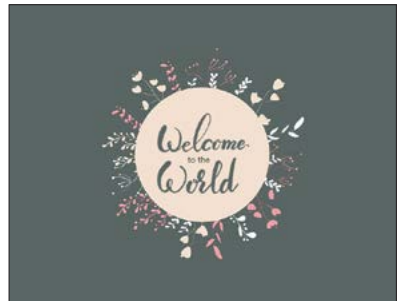

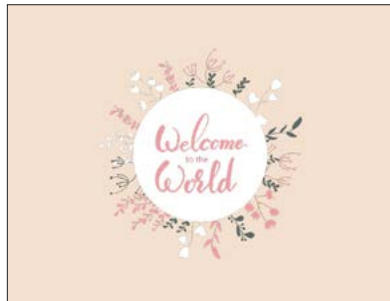

CUSTOMIZATION OF THE COVER

The HAPPY CANVAS photo albums offer the maximum in terms of customization.

With our Album Studio layout software, you can create an ad hoc personalized design for the cover front.

The HAPPY CANVAS photo albums are “layflat”, with 180° panoramic opening and high thickness pages. You can choose to print HAPPY CANVAS using traditional chemical Printing or the Fine-Art Full HD Printing, unquestionably the best printing technology for photographs.

For the inside, five different types of photographic paper are available. Starting from the Satin photo paper to the Fine-Art paper, a wide range of surfaces that will allow you to make those happy moments unforgettable and enhance your best shots.

Satin photo paper

High whiteness, slightly pearly surface. Clear print, excellent depth of colour and reduced reflections.

Silk photo paper

Surface with a silky texture, bright points of light, intense spectrum of colours, smooth gradations in shadows.

Metal photo paper

Glossy, highly reflective paper, with silver iridescence. High color density, sharpness and deep blacks.

Velvet photo paper

Extra-matt with total absence of reflection, extremely pleasant and velvet to the touch. High added value.

Fine-Art [Full HD]

Full HD matt Fine-Art photographic paper, ideal for artistic photos and edition, meeting the conservation requirements of museums and art galleries. Perfect Black and Whites.

Your happiest moments become even more intense if shared with your friends, witnesses and family.
